SUBJECT: REGIONAL SECURITY INITIATIVE: COUNTERING
TERRORIST USE OF THE INTERNET

REF: STATE 82980 (NOTEL)

Classified By: Pol/C Joseph L. Novak, reasons 1.4(b+d).

11. (C) SUMMARY: Mission has carefully reviewed Reftel regarding countering terrorist use of the Internet in the Tri-Border Region and the proposed three-part curriculum. We believe that it is consistent with Mission's Country Assistance Strategy. END SUMMARY.

12. (C) Mission appreciates Reftel review of the need to counter Internet use by terrorists, and fully agrees that this is a key issue that must be addressed in Indonesia and the immediate region. We think that the three-part curriculum reviewed in Reftel is sustainable and applicable to partner nation needs and technical capacity. Mission's initial consultations with key agencies of the Indonesian government have yielded a positive response to the proposed seminars and workshops. Mission recommends holding Part III (the regional policy level workshop) first as a mechanism to secure further buy-in from policy-level officials.

13. (U) Mission is willing to host proposed seminars and workshops. We are looking into several locations in Indonesia as possible sites.

14. (U) Poloff Kate Rebholz is Mission's contact point on this project.
